FARMVILLE.

After the storm the calm. Commencement echoes yet fill the air and sweet memories of the happy occasion still linger in many minds and hearts. To say that we miss the girls is to state it mildly. The question is, how we ever live without them? Farmville is a new Farmville since their coming, and we are glad to know that those who come and learn to know the place and people learn also to love. Fortunate Farmville to have secured such a prize!

Two new professors of the sterner sex have been added to the faculty for the coming session, making five in all, and the salaries of many of the lady teachers have been increased. Already names of new students are being enrolled and, no doubt, as many will come as can be accommodated.

It may be that some day scenes like those now witnessed in Raleigh, N. C., will be re-enacted in Farmville, when preachers and one-time saloon men will make common cause against the dispensary.

Mr. W. G. Dunnington rarely allows his name to be published as official of any business association, but having consented to be president of the hail insurance company, the tobacco growers may rest assured that if they seek its protection they will be protected; and for the small cost incurred it will be reckless not to take advantage of the offer to save against loss.

The friends who knew him well speak of the late Mr. Greb, who was so brutally murdered and his body burned in his storehouse at Tuggles, on the N. & W., as one of the purest of men. He was an earnest student and a most instructive teacher of the Bible. Those who were accustomed to worship with him at Ap omattox Presbyterian Church will greatly miss him.

Why, Mr. Editor, isn't the Virginia vagrant law rigidly enforced? We are strong enough to provide against wandering marauders. Suspicious characters should not be permitted to remain long enough in a community to learn when and where to strike.

Our people have been congratulating Appomattox on her splendid monument and the impressive ceremonies incident to the unveiling.

Captain Wings, of the Tidewater & Western, has been enjoying a well-earned rest, while Capt. Pinchback has been representing him. That road is now "busy to the brim" hauling freight, and now that we are to have greatly improved passenger facilities between this point and Moseley's no doubt the passenger traffic will also greatly increase. The trains coming from Moseley's to Farmville on Tuesdays, Thursdays and Saturdays should give us much closer touch with the shoppers from Cumberland and Powhatan.

On Mondays, Wednesdays and Fridays our people will, no doubt, take advantage of a schedule which puts them into Richmond at the breakfast hour and back home for supper.

Work on the Presbyterian church progresses rapidly and the hope is that the building will be ready before the Normal session opens.

Union services between the churches have been inaugurated again and are well attended. Our preachers generally remain with their flocks during the summer season. Suppose the farmers should "rest off" for the summer, what would become of the rest of us? So far as we are advised, the devil is never off duty.

"My soul, be on thy guard."

I know of an old Confederate who is grieving over the loss of his "cross," as under the laws governing their distribution he cannot receive another. It is intimated, too, that the legislature will be asked to enact a law making it a penal offense for any but the rightful owner to be found wearing one of these badges of honor.

Mrs. C. E. Chappell has been on a visit to a sister in North Carolina. She is the busiest woman in all Farmville and was entitled to the rest. I need not add that Mr. Chappell remained in the store.

Soda water has been the pet of the hour. What's wrong with Virginia that she should have been so much warmer than the rest of her sisters? This isn't usual. Generally nature's best gifts are hers and for all seasons.

Laborers who have been induced to go to the great Tidewater for high wages are returning with big disgust on them. They do get big pay, but the cost of living absorbs it. The place for comfort is on the farms, and at the end of the year the laborer really has more money than the fellow who has been running about looking for work. He can find it, but lets it drop, and goes on the hunt again. The only "scarce" thing is money, and some one has said it wouldn't be good unless it was scarce.

After ten years of distressing illness, Mr. J. McKinney "sleeps with his fathers." No better man ever lived or died in Farmville, and there is comfort in the hope that his sufferings are ended and that he is at peace. The tenderest sympathies of our people go out to the two surviving daughters who have nursed him with a devotion beautiful and heroic.

The death of a recent graduate of the Normal school, Miss Labyteau, of West Virginia, after a brief illness cast a gloom over the entire community. She died just as she grasped the prize for which she had struggled so faithfully and well. Surely the finite cannot fathom the infinite.

The berry season is upon us again and it is always a berry good season of the year.

Brunswick stews loom up in the distance, and when the queen of summer edibles arrive we, of Farmville, lift our hats and immediately seek places at the table. A Southside Virginia dinner is peerless.

Stimulation Without Irritation

in case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take.

A Salt Lake woman who was compelled to choose between her husband and her dog stood by the latter. Dogs are so valuable and there are so many women trying to get rid of their husbands at any price.

A Thousand Dollars' Worth of Good.

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pains," says A. Thurman, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick-dust-like substance and now I have no pain across my kidneys and I feel like a new man. It has done me $1,000 worth of good." Foley's Kidney Cure will cure every form of kidney or bladder disease.

DO YOU GET UP WITH A LAME BACK

Kidney Trouble Makes You Miserable

most everybody who reads the news is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing pain, backache, bladder, uric acid trouble and Bright's Disease, which is the worst of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

If you would reach the homes of the people in Southside Virginia, especially Appomattox and Buckingham counties, place your advertisement in this paper.
